

AT ARCOVA

WHERE LIFE FINDS ITS RHYTHM

Arcova District is designed as a gateway,
where people don't just live,
but Grow, Evolve, and Move forward together.

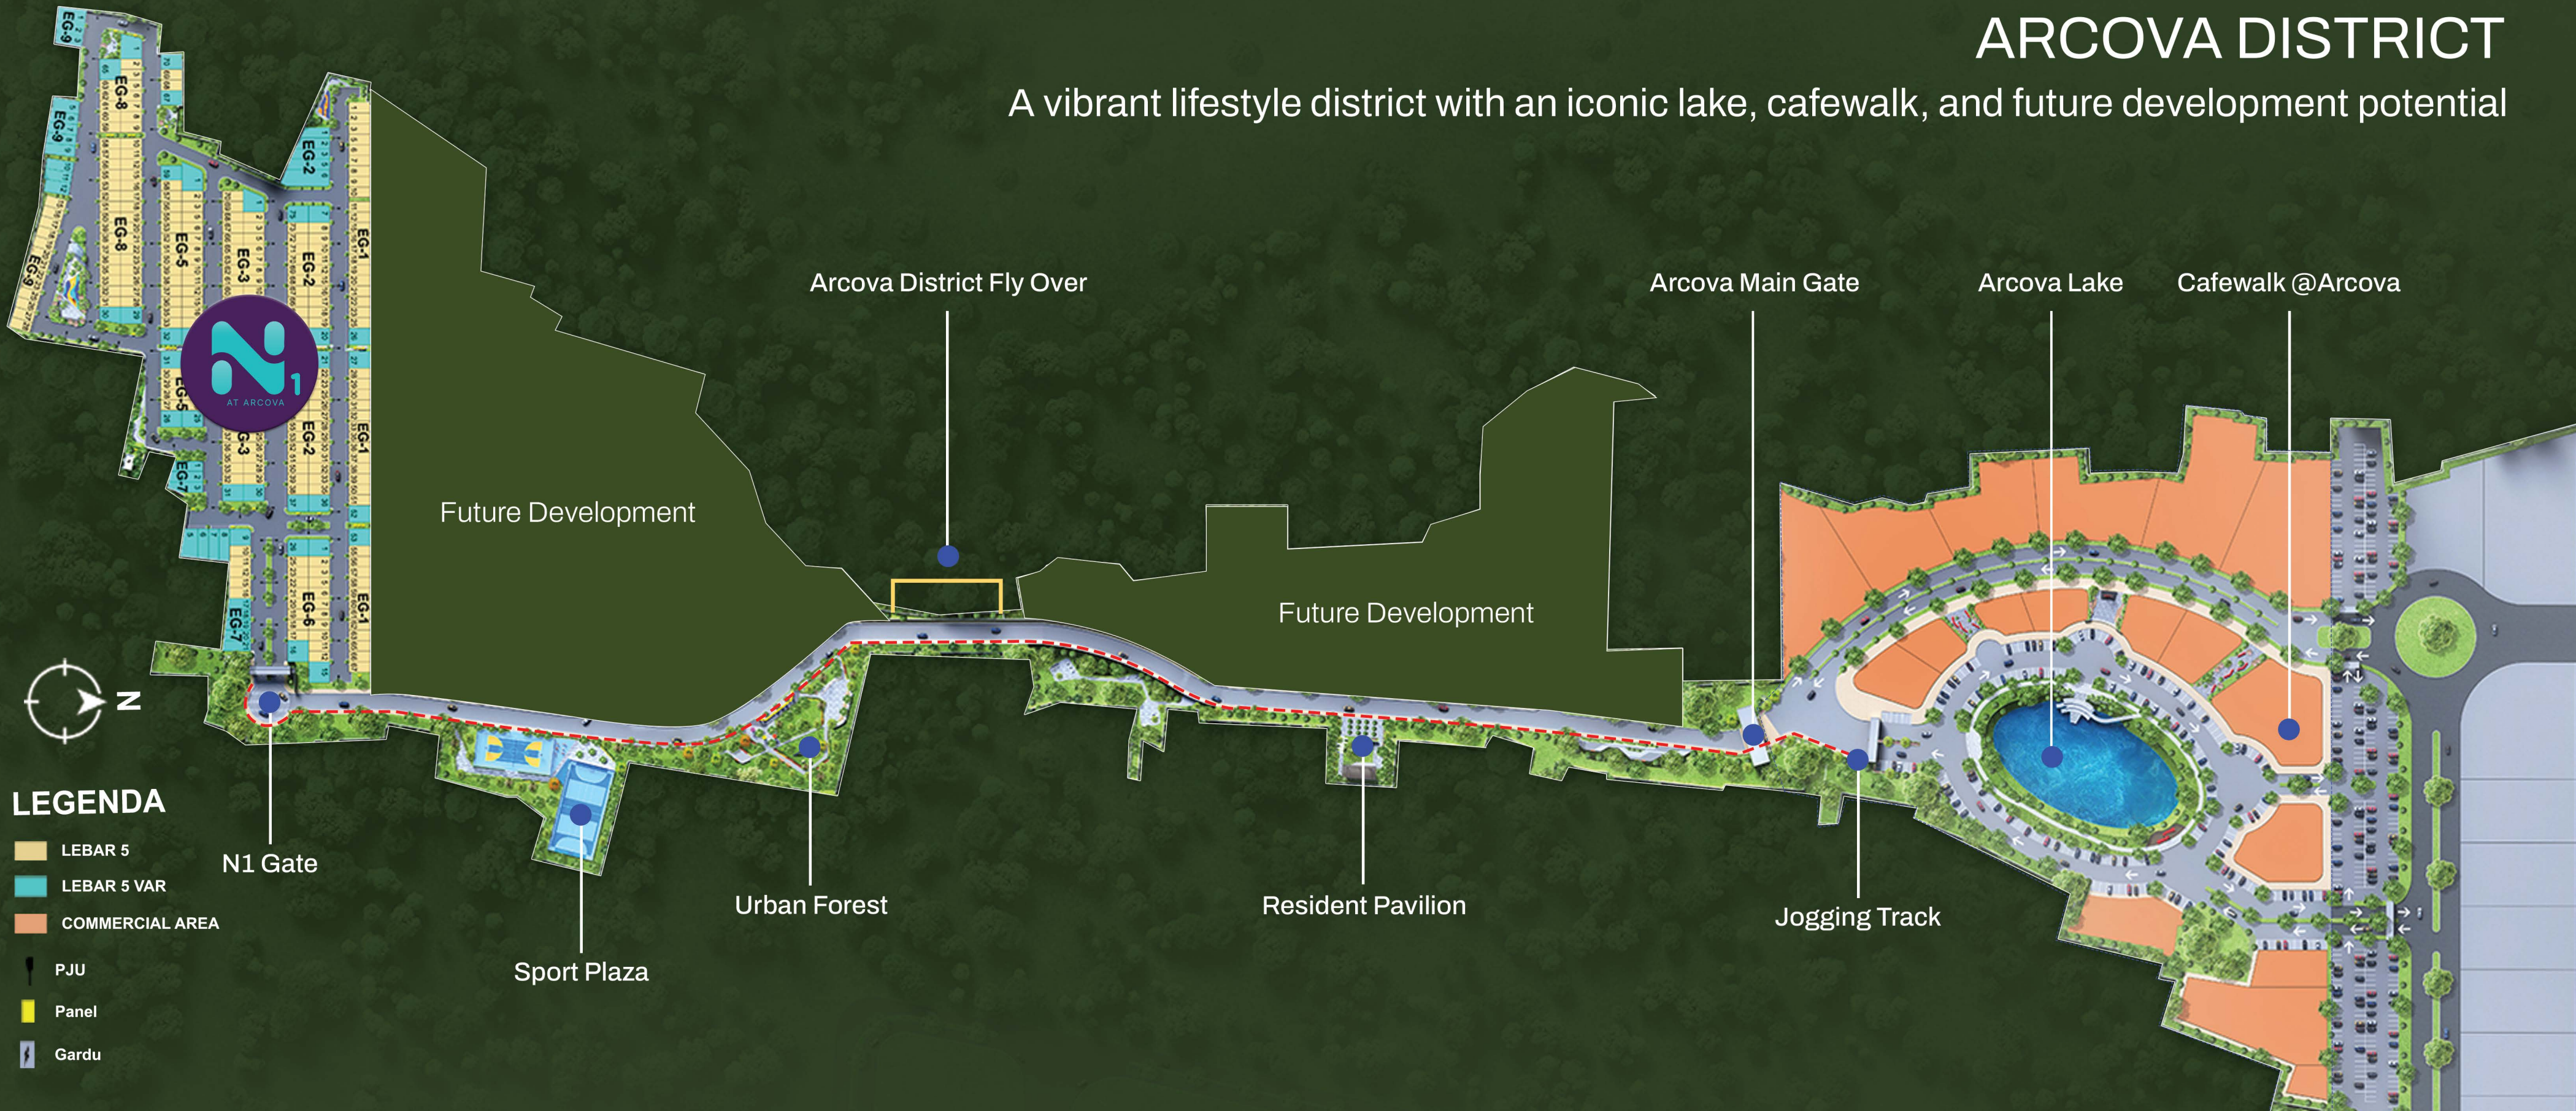

GREEN, LAKE & NATURE ORIENTED ENVIRONMENT

A balanced environment where modern architecture meets nature. Lakes, open green spaces, and thoughtful landscaping create a healthier, more comfortable, and refreshing living experience.

ARCOVA DISTRICT

A vibrant lifestyle district with an iconic lake, cafewalk, and future development potential

PRIVATE TOLL ACCESS

15 MINUTES TO JAKARTA, SURROUDED BY GREAT FACILITIES

Grand Wisata is the only urban city situated between two major toll road access points, namely the Jakarta-Cikampek Toll Road and the Jakarta Outer Ring Road II (Tol JORR II) on the eastern side of Jakarta. With just a 15-minute drive to DKI Jakarta, Grand Wisata is strategically located in close proximity to Jakarta. It offers the best transportation facilities, including the LRT (Light Rail Transit), high-speed train, and an extensive bus network serving the Jabodetabek area.

- JORR 1
- JORR 2
- BECAKAYU TOLL
- INNER RING ROAD
- ELEVATED TOLL
- JAKARTA TO EAST BEKASI - LRT LINE
- JAKARTA TO BANDUNG - HIGH SPEED TRAIN
- CIKAMPEK TOLL

Grand Wisata
by Sinar Mas Land

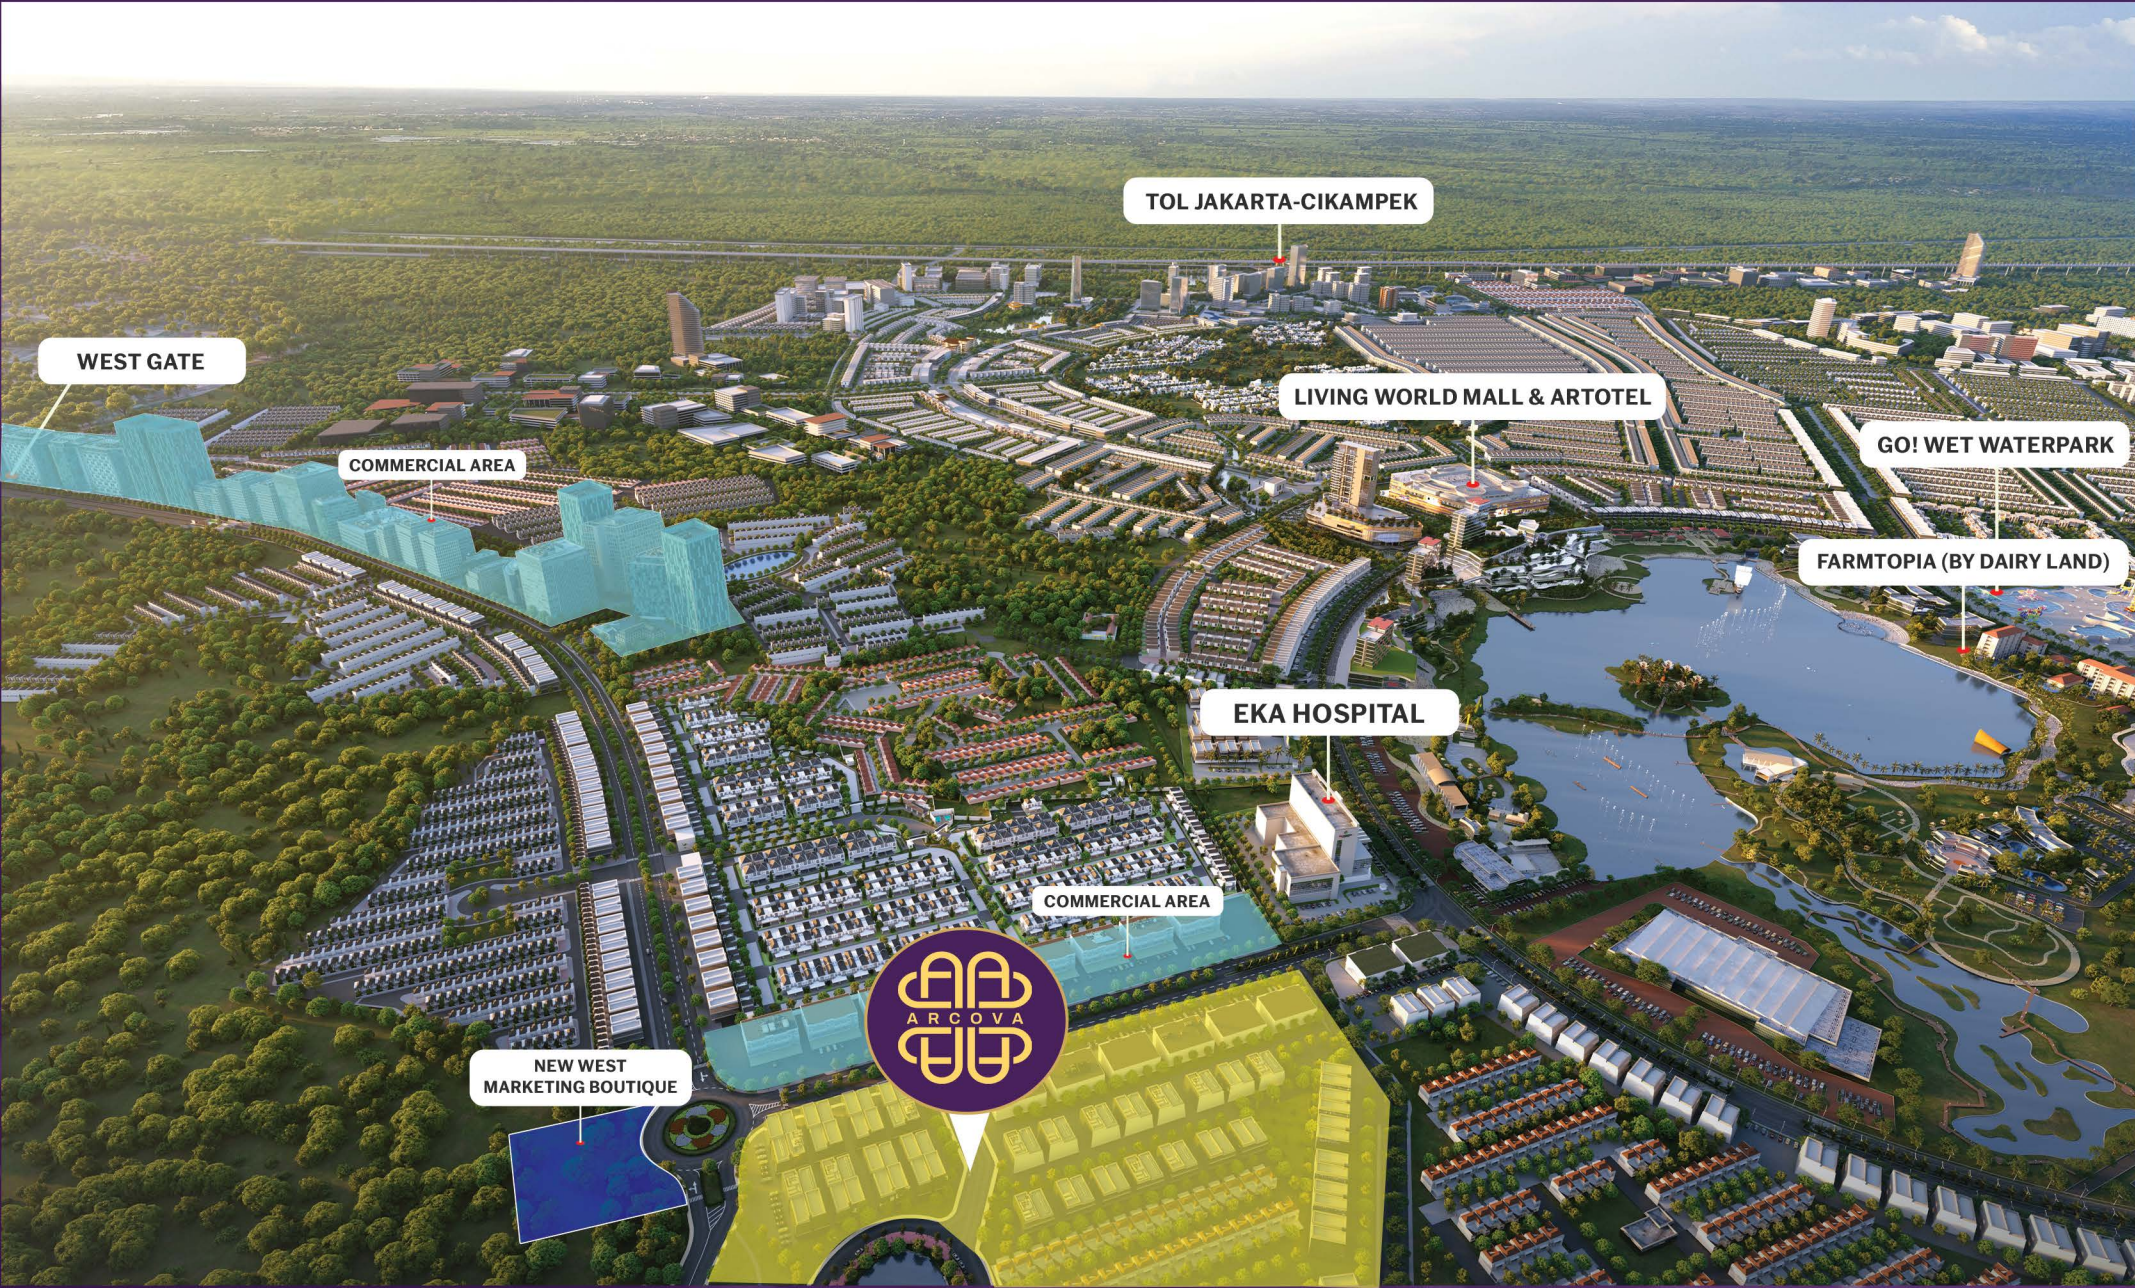

2025

An aerial view of the Grand Wisata township masterplan design. The image shows a large, modern urban development with a central lake, surrounded by residential buildings, commercial centers, and green spaces. The design is highly integrated and sustainable, with a focus on community and environment. The township is located in a strategic location, with easy access to major roads and public transportation.
